### 09/26/16 South Carolina Update

The South Carolina Department of Health and Environmental Control published notice in the September 23, 2016 State Register that it has initiated the process for amending Regulation 61-15, Certification of Need for Health Facilities and Services. In addition, the Department sent the following email this morning with additional notice of this process:

Dear All:

*This email serves as notification that the Department has initiated the process for amending Regulation 61-15, Certification of Need for Health Facilities and Services, by publication of a Notice of Drafting in the State Register on September 23, 2016. The Notice of Drafting may also be accessed under the Certification of Need link at:*

<http://www.scdhec.gov/Agency/RegulationsAndUpdates/RegulationDevelopmentUpdate/>

*The Department is accepting comments to be considered in the revision process. Your comments, feedback, and recommendations are valuable to our regulation promulgation process and the Department appreciates your involvement. **Comments must be received by October 24, 2016**, and may be submitted in writing to Louis Eubank, Director, Certificate of Need Program by mail at SC Department of Health and Environmental Control, 2600 Bull Street, Columbia, South Carolina 29201, or by email at [eubanklw@dhec.sc.gov](mailto:eubanklw@dhec.sc.gov). Comments may also be submitted electronically on the Public Comments for Health Regulations page at the following address:*

<http://www.scdhec.gov/Agency/RegulationsAndUpdates/PublicComments/>

*If you have any questions, please contact the Certificate of Need Program at (803) 545-4200.*

Platt HMC will be monitoring this process and will provide future Regulatory Updates as the drafting process gets underway. Should you have any questions, please feel free to contact us.
